Youth Commission's All Things Hockey

All Things Hockey is a six-week co-ed hockey program for children without the ice but everything else! Played on a hard surface, these classes focus on hand-eye coordination and reaction time to learn the sport of hockey. Children learn stick handling, passing, shooting and teamwork in a non-contact environment. We use a variety of fun games and tools to teach basic hockey techniques and will scrimmage using scooters, whiffle balls, pucks and so much more! Very active and fun. Must wear gym shoes.
