

# Worth Township Youth Commission's American Red Cross Babysitting Class

Are your children babysitting or in charge of their younger siblings for any length of time? Would they know what to do in an emergency? Children are either back in school or at home eLearning. We need to make sure our kids know what to do to keep themselves safe along with their siblings where ever they may be.

If your child is 11 years of age or older, please consider having them take the American Red Cross Babysitting Class held at Worth Township. Participants will learn how to stay safe, what to do in an emergency, how to recognize and handle a variety of behaviors and how to start and manage their babysitting business including writing their own resume. Babysitters will be trained and certified in American Red Cross Pediatric CPR and Pediatric First Aid.

Classes are Tuesdays and Thursdays for three weeks for a total of 12 class room hours. Participants must attend each class in order to be eligible for certification.
