He added that the bid process for the General Assistance food pantry build out will hopefully start at the end of September/first week of October.

Headquarters needs a couple of weeks to work out the kinks of the new program year. The seniors have a great trip planned to Gardens of Rock River Valley in Janesville, Wisconsin September 7, 2023. The walking club has picked up steam. Over 25 adults come and walk the halls and gyms of the Township between 7-8:00 a.m. It's a great way for the seniors to socialize and find out about all the great things that are happening at the Township.

Assessor Murphy spoke of the appeal process.

Trustee Toscas reported that the Finance team is getting ready for the annual audit. The Foundation team is getting ready for the annual golf outing on September 29, 2023. We are looking for more golfers. If everyone could please spread the word, we would appreciate it. See your emails for information or to share the flyers. Also, the Foundation had a very successful Motown Review event. We had almost 100 guests singing and dancing the night away.

Supervisor Murphy was excited to report that Community Parks project Tuesday, September 5th. The park will be a great asset to the entire community. Supervisor Murphy attended the Moraine Valley Senior Resource Fair. It was well attended and brought much awareness of the services offered at the Township.
